Holy Month of Ramadan in Bait-uz-Zafar

Among the new comers this year was Dabir Khan from New Jersey who has just started high school. Another young student of Tahir School who led the Taravee prayers was Safwan Akbar. May Allah Accept their supplications and we pray for all those who served them bring food in the morning and the Ziafat team who made it possible for the evening meals.

Ziafat team under Mansoor Ahmad sahib provided meals daily during the Ramadan. May Allah bless him and his team. During weekends members participated at Hulqa level to provide the Iftari. It has good virtue during Ramadan to open fast together in crowd and it came possible by having iftari available daily in our Mosque thanks again to our Ziafat team. May Allah reward them all.

With the money collected for Fitrana, several members and non-members have helped as it is the tradition during the Ramadan.

As far as the attendance is concerned, during the daily evening prayers and at weekends, it was lower than last year on average. Imam Sahib delivered Dars ul Quran on Saturdays and Sundays through out the holy month.

Hundreds attended the Jumuah-tul-Wida at the new mosque and this was the first official gathering at the new site. Sermon was given by Imam Kauser Sahib and everyone was delighted to see the commence of our activities at the new site.

Naseeb.com and other Social Networks

Assalamo alaikum wa Rahmatullah

It has been observed that some Ahmadi youth have joined social networks and similar websites where they load their profile and photographs which are accessible to others and some are even open to public. One such website - Naseeb.com has profiles of some Ahmadi girls too.

Syedna Hadhrat Khalifatul Masih V (aa) has advised us that putting up photos and profiles of Ahmadi boys and girls on such sites is not appropriate. Parents should advise their children not to participate in such online social networks.

It is important that we educate our children and innocent parents about harms of such websites.

Dear Brother/Sister:

Assalamo Alaikum wa Rahmatullabe wa Barakaatohu:

With the grace of Allah we are once again witnessing Ramadan-ul-Mubarak - a month which, according to the Holy Prophet Muhammad (peace be upon him), carries great awe and grandeur in the sight of Almighty Allah. It is time again to heighten all our efforts of worship including seeking of Istighfar and giving charity, to become recipients of Allah's everlasting pleasure.

Through this message I wish to draw your attention towards joining the Nizam-e-Wasiyyat in obedience to Syedna Hadrat Khalifatul Masih V (ab)'s special call of August 01, 2004.

These are extraordinary times as we pass through the centenary year of Khilafat-e-Ahmadiyya expressing our joy, and offering our gratitude to Almighty Allah for the gracious bounty. Add to this the bliss of Ramadan the most blessed month of the year when gates of Paradise are made wide open to those seeking to be its inmates.

Both Ramadan and Nizam-e-Wasiyyat are intimately connected with financial sacrifice(s) resulting, with the grace of Allah, in attainment of Taqwa (righteousness). As believers progress in Taqwa, Allah blesses them more and more with His pleasure. The Promised Messiah (as) has described this 'Divine Pleasure' as a state of Paradise that begins during life on this earth.

Those making financial sacrifices in Allah's cause have the following great glad tiding in the Holy Quran. 'The similitude of those who spend their wealth in the way of Allah is like the similitude of a grain of corn which grows seven ears, in each ear a hundred grains. And Allah multiplies it further for whomsoever He pleases, and Allah is Bountiful, All-Knowing'. (2:262)

In case you have not joined the Nizam-e-Wasiyyat yet, I humbly urge you to take advantage of the blessed month during which, according to the Holy Prophet (SAW), every good act is granted with a ten-fold reward! **Ramadan Mubarak** to you and all your dear ones. *Wassalam.*
